

# PROUD TO BE PLAYING A PART IN THE GLOBAL FIGHT AGAINST COVID-19

Proud to be the **MANUFACTURING PARTNER** for Hetero's **COVIFOR™** - India's first generic brand of **REMDESIVIR**.

We at **Aspiro Pharma**, one of the fast growing pharmaceutical companies in India, fully dedicated to research, development and manufacturing of general parenteral formulations are glad to be a part of the global fight against COVID-19. Thanks to our partnership with Hetero, which gave us the opportunity to manufacture **COVIFOR™** – **India's first generic brand of REMDESIVIR**.

Backed by our state-of-the-art manufacturing facility which is approved by stringent global regulatory authorities, **COVIFOR™** manufactured at **Aspiro Pharma** meets global quality standards besides ensuring the drug's safety and efficacy.

We are manufacturing the medicine in **lyophilised and liquid injections** forms and are fully equipped to scale-up our production in the event of escalating demands.

The drug is indigenously developed in line with the spirit of **'Make in India'** as envisioned by our Honourable Prime Minister.
